United World Leaders

45 Rockefeller Plaza, Suite 2000

New York, NY 10111

Miami, FL – United World Leaders (the “Foundation”) proudly announces the addition of Edward Russo, CEO & President of Environmental Justice, Inc., as the Co-Chairman of the Climate Council.

CEO & President of Environmental Justice, Inc., Edward Russo is widely recognized for his strong commitment to environmental matters. His extensive experience and network of global relationships bring new opportunities to the Institution's Members and strategic partners. This important addition further amplifies the Institution's efforts, reach, and the resulting impact of its Members around the world.

Edward Russo will chair President Trump's environmental advisory task force. Russo served as an environmental consultant for President Trump for many years. He and his business partner were nominated for a Nobel Peace Prize for using atmospheric water technology to create clean, healthy drinking water from the air.

United World Leaders represents the next generation of a United-Nations-type institution — one focused on implementing, accelerating, and amplifying the initiatives and resulting impact of its Member organizations, ministries, and states, with the shared purpose of preventing wars and elevating the socioeconomic well-being of humanity across the world.

United World Leaders is also designed to serve as a premier platform for international treaties, diplomatic, business as well as other bilateral and multilateral engagements, enabling Members and nations to advance aligned priorities with credibility and support.

Today, United World Leaders stands as one of the world's most influential assemblies of current and former heads of state, ministers, senior government dignitaries, royalty, multinational business leaders, global family offices, investment funds, humanitarian institutions, academic partners, and true world changers. Through this global ecosystem, our Members gain access to extraordinary support, international exposure, strategic partnerships, capital, new markets, and direct engagement with institutions and governments across continents.
